\* The manufacturer declares that the hardware, software, and firmware versions of the AD21N meter are fully identical to those previously tested and certified by Enprotech. The corresponding test results can be found in the report 06.19 TEST REPORT ENPROTECH\_107127-7704-AC\_PRIME14\_SN1P\_2024\_firmado.pdf"

\* This test report summary is granted on the declaration letter and the evidence provided by the manufacturer.

\* The complete results, including remarks and limitations, are laid down in our declaration letter N° 125749-C3 which can be obtained at TECNALIA. The certificate, the aforementioned test report and the declaration letter are indivisible.

\* The test report summary is issued by PRIME Alliance. It shall not be reproduced, in total or in part and in whatever way, without written permission of TECNALIA
